

Scouts, Cubs Enjoy Outing

Travelling by bus and private car, about 115 Scouts and Cubs from Mountain View Scout District invaded Calgary on Monday. Troops represented were from Olds, Hainstock, Didsbury, Carstairs, Westcott and Cremona.

After visiting the Fish Hatchery at the brewery gardens, the group went to St. George's Island for lunch and a tour of the zoo. Ball games were played in the afternoon.

Following this, Mr. Baines, curator of the zoo, gave the boys a talk on the care and feeding of the various animals.

The boys returned home about 6 p.m., well spent, financially and otherwise.

Leaders and group committee members in charge of the group were Rev. Miller and N. Yates from Olds, Joyce Mullen from Didsbury, Jack Robertson and Don Robertson from Westcott, Jerry Simington, R. Meers and V. Burkholder from Cremona and Scotty Ross of Hainstock.

WEST NOTES

(From Our Own Correspondent)

A shower was held in Elkton school last Saturday evening in honor of Mr. and Mrs. Ken Bagshaw. Games were played, followed by community singing. The honored couple were then escorted to fully-decorated chairs, where they opened their many lovely gifts, assisted by Dwila Byrt and Mrs. Les Evans, after which the newlyweds thanked their many friends.

Mr. and Mrs. Arnold Hogg and boys visited with the latter's parents, Mr. and Mrs. C. Wilson, on Sunday. Mr. and Mrs. L. Krebs and family are spending their holidays in Banff.

The Blain family gathered at the home of Mr. and Mrs. Alex Blain on August 12 to honor them on their 25th wedding anniversary which was due August 14. On the evening of the 14th friends and relatives gathered at Rugby hall to honor this well known couple. There was a short program, including a poem wedding, which was more than entertaining to those present. The honored couple were then presented with a purse of money which carried with it the best wishes of all those in attendance.

Mr. and Mrs. Jack Bagshaw visited with Mr. and Mrs. A. L. Hogg on Sunday evening. Mr. and Mrs. Neil Rigby and family called on Mr. and Mrs. Graber on Sunday and later were supper guests of Mr. and Mrs. W. Rigby. Mrs. Byrt Br. and Mr. and Mrs. Campbell were Sunday guests of Mr. and Mrs. R. Befus.

Cutting has started in the district and should be in full swing by the end of this week. Hopes are for a much better crop than last year. Mr. and Mrs. R. Sutherland have left the district to make their home at Pincher Creek where the former is employed on an oil rig.

Mr. D. Evans left Friday to visit relatives in the U.S.

Mrs. A. L. Hogg spent Thursday afternoon with Mrs. W. P. Brown. Mrs. Brown and Les Oliver are leaving this week for their home at Rosedale, B.C. and will travel by the north route.

Mr. and Mrs. R. Russell have their twin nephews, sons of Mr. and Mrs. Roberts, visiting with them.

Mr. and Mrs. Neil Rigby and family called on Mr. and Mrs. Graber on Sunday and later were supper guests of Mr. and Mrs. W. Rigby. Mrs. Byrt Br. and Mr. and Mrs. Campbell were Sunday guests of Mr. and Mrs. R. Befus.

Down to Earth

Balloon settles gently to earth near Stevens Point, Wis., after reaching 40,000 feet and possibly new world's record for an open basket flight. M. D. Ross and Lt. Cmdr. M. Lee Lewis, both of Washington were balloonists. Flight was U.S. Navy project.

Harmattan News

(From Our Own Correspondent)

Mr. and Mrs. Warren Conrad returned Friday from a holiday in the U.S.

Mr. and Mrs. Jack McKewon of Red Deer and Rev. Faulkner of Edmonton were Sunday visitors with Mr. and Mrs. Tony Spooner.

Mrs. Mann and grandson Ralph of Calgary, have been visiting for the past week with Mr. and Mrs. M. Smith.

Mrs. Lucy Davies of Calgary was a weekend guest of Mr. and Mrs. Smith.

JUST ARGUING? "By gee, Harry, your argument with your wife last night was most laughable."

"Wasn't it? When she threw the axe at me I thought I'd split!"

A blue line means your subscription is coming due next month.

SPRINGSIDE NOTES

(From Our Own Correspondent)

Miss Margaret McDonald of Harmattan has been visiting with her grandparents, Mr. and Mrs. George Innes.

Friday evening supper guests with Mr. and Mrs. Art Chamberlain were Mr. and Mrs. V. Wrigglesworth.

Mr. and Mrs. Bill Collinge and family and Mr. and Mrs. V. Wrigglesworth visited recently with Mr. and Mrs. Bill Wrigglesworth and Mr. and Mrs. Jack Collinge of Edmonton.

The latter couple received a prize for their lovely new home. While there, the guests were served pie made from an apple tree grown on the grounds.

Mr. and Mrs. Andy Tobler and family have as their guests this week, Mrs. Emma Marquardt from Drumheller.

Mr. and Mrs. Ralph Peterson of Calgary visited with Mr. and Mrs. Harry Peterson over the weekend.

Mr. and Mrs. Jake Hiedebrecht and family visited with her parents at Rosemary last weekend.

Mrs. Bill Collinge had her two granddaughters from Acme visiting with her last week. Mr. and Mrs. Corbett and son of Calgary were weekend guests at the Collinge home.

Mrs. Ross Youngs, Mrs. May Youngs, Mrs. Heath Lefard and Bruce, of Edmonton, visited Sunday evening with Mr. and Mrs. Hugh Morton and family.

Mr. and Mrs. Jake Hiedebrecht and family drove to Red Deer Friday to visit with Mr. and Mrs. C. Hiedebrecht.

Mr. and Mrs. Jimmie Clarke and family of Edmonton are vacationing at the Ernest Clarke home this week. Supper guests Sunday evening with Mr. and Mrs. Bob Kershaw and Glenn were Mr. and Mrs. L. Wald of Lethbridge.

Mr. and Mrs. Glenn Johnston of Cremona were Sunday dinner guests with Mr. and Mrs. Hugh Morton and family.

Sympathy is extended to Mr. and Mrs. Donald Peterson of Penhold in the death of their son.

Taylor Comes To Town . . . What For We Wouldn't Know

Following is a copy of a letter sent to the provincial minister of highways, Hon. Gordon Taylor, from the town council of Didsbury, dated August 20, 1956:

Honourable Dear Sir: The council of the Town of Didsbury respectfully make the following submissions:

1. The original Calgary to Edmonton highway passed through the town of Didsbury and was built and maintained by the provincial government as what was then considered a first class gravelled highway. Government policy at that time was to link all the towns and this policy was adhered to between Calgary and Edmonton.

2. About 1938 the road was rebuilt and Didsbury was by-passed by one mile. It was the only town between Calgary and Edmonton left so far off the new road and at that time the citizens of the town were assured that the government would provide them with a good approach road from the highway. However, nothing further was done in this regard until about three years ago when the present road was constructed by the municipality to the town limits, with government assistance.

3. The No. 2 highway was subsequently hard surfaced and as a result thereof all the towns along its route received at least a hard surfaced approach to their corporate limits and some even had their main streets surfaced. In some cases the road was later re-routed from the centre of towns but the towns still had the benefit of the hard surfaced road previously constructed.

4. At the present time Didsbury is the only town between Calgary and Edmonton that does not have at least one hard surfaced road leading to it.

5. Didsbury is situated on the Calgary and Edmonton railway, 50 miles north of the city of Calgary. The No. 2 highway is being built 4 miles east of its corporate limits and the old No. 2 highway is one mile east of the corporate limits.

6. While the traffic from west of Didsbury through the town to the No. 2 highway has always been heavy it has been increased very rapidly

EDITOR'S OBSERVATIONS FOR WHAT THEY'RE WORTH . . .

Hon. Gordon Taylor, provincial minister of highways, managed to work into his busy schedule this week, a short visit to Didsbury. Consensus of opinion is "he shoulda stood at home."

Meeting with members of the local town council, and M.L.A. Owens, representative for this area, the government road boss banished all hopes we may have held as regards improvements on the main artery into town from No. 2 highway.

Sorry fellas, not this year, was the gist of the message. Then the honorable minister dropped another small bomb, which to us cast off an unpleasant odor, next year (1957) on our calendar the grade in question will be built up in preparation for a hard-surfaced road, which is now scheduled for the following year. (Our calendar could be wrong, but it reads 1958 in this instance.)

Other requests by council were brushed aside and it was made clear that when work does start on the road construction will only go so far as the town limits. No work will be done by the government within the town or on the heavily-used west road.

On this page you will find a copy of the letter sent to Mr. Taylor by council, outlining a few details and containing a few suggestions, which seem reasonable in all respects. However they were all brushed aside.

After reading the letter we thought we would have a chance of getting 50 per cent of the requests granted. How wrong could we get? We're still bating 0000 in this highway league.

Thanks Mr. Taylor, for nothing!

lately owing to the oil development centering around the Harmattan oil field. The south end of this field is at present directly west of Didsbury and the shortest route from it to No. 2 highway is through the town. The freight hauled by this route includes drilling equipment and oil tankers. The greater part of this traffic is

through traffic between Calgary and the oil field and is of little or no direct benefit to the people or business of the town, but is very damaging to the town streets.

7. It is suggested that there would be considerable merit of this type of traffic through the town if the roads were better, as at present much of it goes north to the Sundre highway, even though this route is considerably longer. It is submitted that if the road from No. 2 highway through Didsbury to the oil field were hard surfaced, considerable of the load would be taken off the Sundre highway and a much shorter route between Calgary and the oil field would be provided. We believe that over now there is sufficient traffic along this route to justify such a road and we suggest that traffic counts would bear out this belief.

8. We submit that gravelled roads are not adequate to carry the traffic at present passing through the town and over the approach road to the No. 2 highway and that the problems of roughness and dust can only be satisfactorily met by hard surfacing. We also submit that hard surfacing of the highway to the town limits will only partially solve the problem as there are two miles of road within the town itself that must be traversed to cross the railway tracks and connect with the main road, leading west, northwest and southwest. We also submit that the cost of hard surfacing within the town itself should not be placed totally upon the town, in view of the nature of the traffic that can reasonably be expected to use it. We also wish to point out that this problem has been solved in many towns by the government providing east and west hard surfaced roads. Olds is a good example of this.

In view of the foregoing we therefore request:

(a) That the road from No. 2 highway to the town limits be hard surfaced as soon as possible. In this connection we suggest that the man done by the government providing while paving equipment is still working on the No. 2 highway east of town.

(b) That the government give serious consideration to hard surfacing a road, to be agreed upon, through the town to carry the traffic from the west to the town, in the alternative, to granting the town substantial financial assistance towards constructing and maintaining such a road.

(c) That the government give serious consideration to taking over and hard surfacing one road west of Didsbury to service the rapidly expanding Harmattan oil field.

DIDSBURY TOWN COUNCIL

Hail Suppression Plan To Continue Until Sept 1st

Interested parties, members of the Mountain View and Kneehill Hail Suppression Associations and representatives of the weather modification company, gathered at Lone Pine hall Monday night to review progress to date and plans for the future.

There were no dissenting voices among those present as regards success of the project to date and some plans have already been made for a similar scheme next year, which undoubtedly will cover a much wider target area.

It was pretty well decided that enough funds could be raised to carry the protection plan to Sept. 1. However, there are those who have pledged money and have as yet not come through with the cash. These funds are needed now and it is hoped that all promised will be in the hands of the association as soon as possible. There will be no more canvassing - the men behind the scheme are working in their own fields.

During the past week, when this district was hit with cold and hot weather, the suppressors saw very little action. With the present hot spell it could be they may be called into action at any time. Hope not, but it's nice to know they're available.

Safe Stolen From Treasury Branch; Loss Set At \$5000

The provincial government treasury branch here had some unwelcome visitors during the dark hours of Wednesday morning, when break-in artists entered the premises through the double back doors and moved off with a 600-pound safe. Entry was made by drilling through the first door and breaking down the second door, which was a large steel locking bar on the inside.

The cash drawer and records were strewn around the floor but it is thought that nothing of value other than the safe is missing.

The safe contained approximately \$4000 in cash and \$1000 in cheques, as well as records which are of importance only to the treasury branch. As George McDonald discovered the break-in when he entered the store at 8:30 a.m. Wednesday, R.C.M.P. were notified and at that time were still carrying on investigations.

MANITOBA FARMERS MAY GET GOVERNMENT ASSISTANCE FOR HAIL LOSSES

A vicious hail storm that cut a swath across southwestern Manitoba last week did \$15,000,000 damage to crops alone, the provincial agriculture department estimated Tuesday.

About 40 townships of farm land suffered 100 per cent crop loss during the storm. Indications were that not more than 10 per cent of the loss was covered by hail insurance as the storm hit an area usually considered not susceptible to hail.

Farmers, however, stand a good chance of getting Prairie Farm Assistance payment from the federal government. Usually hail damage does not cover an area large enough to establish the "block" of damaged crops needed to bring the PFA system into effect. But in the solid area hit by last week's storm there should be no trouble setting up the blocks.

The storm slashed across the province from Elkton on the Saskatchewan border to Snowflake on the U.S. boundary, destroying crops in a strip 12 miles wide and 125 miles long.

Zella Country Fair Draws Plaudits

Another successful Country Fair was sponsored by Zella W.I. and held at the community centre on Friday, August 17. A widespread interest was shown in all classes and the beautiful flowers gave the centre a most festive appearance.

Mr. Holubowich of the O.S.A., after judging the vegetables and flowers, gave pointers on the preparation and display of entries and also on the storing of vegetables.

Mrs. Armstrong and Mrs. Len Cooper, both of Westward Ho, judged the home canning, bakery and sausage classes.

This year the display was open for inspection in the evening also and Zella W.I. ladies had a busy day serving tea both afternoon and evening. At night Mrs. Katharine Scott Sr. obliged by reading tea cups.

Thanks is extended to the Judges, to Mrs. Scott, to Mr. Mike Knights who acted as master of ceremonies and to all who donated vegetables to the Senior Citizen's Home.

A complete list of prize winners will appear in a later issue. Already plans are under way for an even bigger and better fair next year.

TODAY'S CHUCKLE . . .

The bank president called in his assistant.

"I want a frank answer," he said. "Have you ever made love to that beautiful secretary of mine?"

"Never!" protested the assistant. "I swear I've never even kissed her."

"Okay," replied the president. "Then you fire her."

LONE PINE ORIOLES ELECT NEW OFFICERS

Sixteen members were present at the home of Lorna and Sheryl Shells for the August 17 meeting of Lone Pine Orioles. It was decided to hold meetings at 2 p.m. on the third Saturday of each month. It was also decided to send Sandra Brander another gift.

Election of officers resulted as follows: Mrs. Don Thompson, supervisor; Mrs. Hazel Milne, assistant supervisor; Mrs. Elsie Brander, auditor; Grace Weber, president; Jeanette Hadarar, vice-president; Beverly Thompson, secretary and directors to be: Elsie Weber, Karen Brander and Donna Cippelley.

An interesting topic on "Caring For Indoor Flowers" was given by Hazel Milne.

SPOOKY EXIT

The city dweller purchased an old
home in the country where everyone
claimed was haunted. The following
day, while in town, one of the natives
asked him how he made out during
the night.

"Well, about midnight a ghost
came right through the wall," ex-
claimed the city man. "Yes, sir, he
came right in as if there was no wall
at all."

"What did you do?" gasped the
listener.
"I went through the opposite wall
the same way."

FOR SALE — One IHC Combine,
model 64 pull-type, in good condi-
tion; has only done 860 acres.
Original cost, \$2200; now displayed
at Olds Auction Mart, to be sold
by public auction on Tuesday, Aug.
28, at the OLDS AUCTION MART. 32-31c

—Here's what they are — watches

WEDDINGS

REMPEL — BAERGEN
On the sunny afternoon of August 12 wedding rings were exchanged before the altarpiece and cedar decorated altar of the Totfield Mennonite church when Miss Evelyn Agnes Baergen became the bride of Mr. Henry Rempel of Didsbury.

Rev. D. Boese of Totfield, assisted by Rev. Pauls of Didsbury and Dr. Unrau of Edmonton, officiated.

The bride, daughter of Mr. and Mrs. J. G. Baergen, wore a floor-length gown of embroidered nylon organza, featuring a very full skirt. The net yoke was accented by a string of pearls. Her lace-trimmed fingertip veil misted from a sequin covered cap and she carried a bouquet of red roses and stephanotis.

Miss Rita Baergen, sister of the bride, was bridesmaid. She wore a gown of pale green crystalline and carried a bouquet of yellow 'lums and stephanotis. The flower girl, Evelyn Schmidt, was dressed in yellow and carried a tiny basket.

Mr. Walter Dick of Chilliwack, B.C. attended the groom and ushers were Mr. Rudy Regier and Mr. Jack Baergen. Miss Lydia Boese played the wedding music and George Wiens sang "A Wedding Prayer."

The decorated church basement was the setting for the reception. The bride's table was centered with a three-tiered wedding cake laid in white and pale blue and topped with tiny roses.

Out-of-town guests came from Castains, Didsbury, Calgary, Wetaskiwin, Edmonton, British Columbia Ontario and Saskatchewan.

For travelling the bride wore a pink suit with blue accessories and a corsage of red roses. After their honeymoon Mr. and Mrs. Rempel will reside at Sundre.

Didsbury Institute
Holds August Meeting

August meeting of Didsbury W.I. was held at the home of Mrs. Lou Wetaskiwin, Edmonton, British Columbia Ontario and Saskatchewan. Meeting opened with a song and repeating of the creed. Roll call was answered with a bouquet of flowers, which were judged by the four visitors. Mrs. G. Miller Sr. had the most colorful and nicely arranged bouquet.

The making of a quilt was discussed and patterns were loaned over. It was decided to make the "quilt of the month" pattern. Mrs. Ed Blain, Mrs. J. McDonald and Mrs. Mickey Miller are in charge of this project.

Mrs. J. McDonald gave a report of the district conference and Mrs. A. Hall, who was in Olds for Farm Women's week, gave highlights of the important sessions. Remarks were made this was one of the finest reports yet.

The handicraft and home economics list for the coming year was read by Mrs. Helen Shannon.

The September meeting will be held September 11, one week later than usual, at the home of Mrs. Neil McKay.

All wisdom is not new wisdom, and the past should be studied if the future is to be successfully encountered.

Fun In A Factory . . .

These many years, two dear friends have toiled side by side in a factory. One of the friends is deaf and, like most intelligent deaf people with a little money, he is concerned constantly with experiments with what he hopes will improve his hearing. Recently he acquired a hearing aid that actually suited him. He even mentioned it around. He seemed so pleased that his deaf friend took to muttering words at him, without making any sound. He would start a sentence out loud and then suddenly cut off the sound, while still appearing to speak.

Meanwhile the deaf man would be banging his hand on the ear-piece and taking the major part of the hearing aid out of his shirt for a good whack. Others around the factory entered in and the sport continued for several days until Christian good nature prevailed and the shop admitted to its fraud.

Farm Sentiment !!!

The Calgary Albertan, in commenting on the boxcar situation said:

" . . . when anyone intimates that a government agency, whether federal or provincial, is more efficient in meeting a situation than a private company, that is the time to start laughing."

No matter what the Albertan says, or thinks, the fact remains that because of the unsatisfactory grain movement over much of the last year, a wave of sentiment calling for the nationalization of the C.P.R. is beginning to sweep the West. It started when a resolution to this effect was passed not long ago by the Manitoba Federation of Agriculture and Co-operation.

It may be expected that, rightly or wrongly, other responsible groups will take similar action.

A young bride went on a live gun shooting rampage, shooting up her home, neighbor's homes and a police car during which no one was hit despite firing nearly 50 rounds from two shotguns, a 22 rifle and two pistols. Mrs. Barbara Milnich, 23, of Van Nuys, Calif., went on her shooting spree after her husband gave her a butch haircut and had to be subdued by tear gas. She has been booked on charges of assault with a dangerous weapon.

Alberta's Traffic Death
Toll Reaches New High

Highway accidents in Alberta still take an alarming number of lives, despite the efforts of the police, provincial government and other bodies to stimulate interest in safety.

The provincial highways department has stated that its general policy is to put engineering safety into the main roads which carry the great volume of traffic. This is seen in the number of instances where highways have been straightened and dangerous corners eliminated or given greater visibility to the driver.

Nevertheless, it is a fact that 93 persons were killed in car accidents in Alberta in the six months ended June 30. This was one more than the similar period of last year.

Not only the number of deaths rose but the same trend was disclosed in car accidents and persons injured.

A compilation for the period shows 1,775 persons injured, compared with 1,679 in the same period of last year, while the number of car accidents increased from 7,599 to 8,322.

In the State of Oregon, it has been decided that the major need for improving an organized attack on the traffic accident problem is a state-wide traffic organization, appointed by the governor, to co-ordinate the traffic safety campaign in the state.

This was the determination of the Oregon delegation, after attending the western region conference of the President's Traffic Safety Committee in San Francisco.

During May Oregon staged a state-wide car safety check program. There were free inspections of lights, brakes, tires, steering alignment, exhaust systems, glass, windshield wipers, rear-view mirrors and horns.

Mechanical faults were found in about one-third of the cars inspected during the program. Purpose of the

Labor Famine !!!

The 1956 labor shortage, first predicted at the height of last winter's unemployment is now more widespread than in any year since the war; more acute than any year except 1951.

July's labor force survey and N.E.S. report reports will show that Canada passed, between June and July, from full employment into overfull employment. This situation will last until well into the fall.

The labor scarcity is spread through all regions and nearly all occupations. The ranks of the unskilled workers have been depleted by a process of upgrading. All the evidence indicates that industry is having to make do with semi-skilled labor instead of skilled, and unskilled instead of semi-skilled. And you can't get farm hands or loggers at all. They've all got better jobs.

MAKES SENSE ! ! !

The fringe of lunatic drivers — the one in ten responsible for most traffic accidents — could easily join the safe-driving 90 per cent of the populace by the simple application of the golden rule of treating others as they would have others treat them.

UNEDUCATED ? ? ?

Joe: "Who's that girl with the French braid?"

Joe: "That's my sister . . . and those guys aren't French!"

Youth thinks intelligence a good substitute for experience and his elders think experience a substitute for intelligence.

— Lyman Bryson

project was to emphasize the importance of having cars mechanically fit as a means of avoiding traffic accidents.

ADJUSTMENT

At an eastern port of embarkation a Navy doctor stopped a sailor who was trying to sneak aboard a very unusual pet, a skunk.

"You can't take that below deck," the doctor ordered. "Just think of the odor down there."

"Oh, that's all right," the sailor assured him. "He'll get used to it the same as I did."

and

Roamin'

Seems To Us That . . . what a lot of disillusioned persons call the "main street" are looking at the appearance of this avenue through rose-tinted glasses. We, down here on "Prospect Avenue", have made a small effort to sharpen up the outside appearance of our places of business and the majority of eye-sores have been redecorated. Take a look at the business street that faces the east and we do believe you'll agree with us. Paint is still on the market — you can even buy it right here in Didsbury.

Seems To Us That . . . there are many who were opposed, or unimpressed, with the hail suppression project that are now jumping on the band wagon and extolling the merits of the operation. Should the present success continue you can bet your Sunday hat against a tooth-pick that the same weather modification service will be in action again next year, covering a much larger area. At the time of writing crops within the target area have never looked better.

Seems To Us That . . . the small blast as regards town roads, which appeared in our last issue, and written by a frustrated tax-paying motorist, was right on the beam. Why do we agree? No new springs yet, just a pair of shock absorbers. Now we know why they are advocating safety belts for all cars, especially in this area.

Seems To Us That . . . the people who cast their ballots in favor of the hospital addition are the kind of people we like to rub shoulders with. We only hope work on the new deal will not be delayed by that old bug-bear, red tape.

Seems To Us That . . . this poor fella' was beat before he started. The belligerent female roared at her husband: "Are you man or mouse? Squeak up!"

BOARD

NOTES

By
W. K. SNYDER
Agricultural
Service Board

Perennial Sow Thistle: This weed is gaining a foothold in many places, and while it is considered not too difficult to eradicate still, I feel, that too many people tend to neglect dealing with it at the proper time. Since it is rather late in maturing often times it is not yet evident at the time when crops are usually sprayed for other weeds. About the time that the crop is heading or fully headed we can see the yellow flowers of the perennial sow thistle protruding well above the surrounding grain crop. At this time it presents a real problem.

The question to be answered is whether the infestation is bad enough to warrant destroying the crop, cut out the worst patches, or go in with 2-4-D and spray the crop. The latter method has been used on various occasions with good success. After crop is fully headed and the bloom stage of the crop is past, one can safely use 2-4-D at fairly high rates.

Sow thistle are quite susceptible to 2-4-D if a rate of 6 to 8 ounces acid equivalent per acre are used. The booms of the sprayer should be raised as high as possible or to about 42 inches above the ground. Some sprayers do not have this range of adjustment.

In the summerfallow year well timed and repeated cultural strokes will adequately eradicate this weed if you have small patches on your farm by all means cut them down, pull them out or spray them with a hand sprayer and 2-4-D. Small patches grow into blaser ones and it is surprising how fast an infestation can grow to assume serious proportions.

SPIRITUAL CURE

The local tavern keeper, who had a reputation for keeping some strong brews, had just closed his shop when he heard a heavy pounding on the door.

"Go away," he shouted. "You can't have any more to drink at this hour."

"Who wants anything to drink," came the answer. "I left here without my crutches."

ZELLA NEWS NOTES

(From Our Own Correspondent)

Mr. and Mrs. Bill Broadhurst and family of Medicine Hat were renewing acquaintances in the district last week and were overnight guests at the home of Mr. and Mrs. E. Waldruff on Wednesday and Saturday.

Mr. and Mrs. George Brown and family of Carstairs were Sunday visitors at the home of Mr. and Mrs. A. Waldruff.

On Monday several neighbors moved in with farm equipment to summerfallow for Ronnie Toppin, who is the latest victim of yellow jaundice, which has been making its rounds in the district.

During the past week 11 children from here were transported to Sundre where they attended Vocational Bible School.

(Intended For Last Week)
On Sunday, August 12, a family reunion was held on the lawn at the home of Mr. and Mrs. Harold Braun to honor Mrs. Louise Waddingham of Kienmi, Iowa, who has been visiting her sister, Mrs. Emma Jahnke. Guests included Mr. and Mrs. Bill Ezzi and family, Mr. and Mrs. Arthur Ezzi and family, Mr. and Mrs. Pete Luft and family, Mrs. Emma Jahnke and Fred, Mrs. Wilbur Jahnke and family, Mr. and Mrs. V. Wales, Mr. and Mrs. Harold Braun and Mrs. Braun Sr.

Linda Walton of Edmonton returned home Monday after holidaying for two weeks at the home of her grandparents, Mr. and Mrs. E. Lowrie.

Keep it
under your hat!

The bright idea of a New York
 Fire Commissioner gives us an
 idea, too. He liked his dress cap;
 dinked the regulation fire helmet
 — but he recognized the
 ever-present danger of falling
 debris. So he simply had an in-
 ner shield of aluminum made
 and fitted into the cap.

And that's where our idea
 comes in: A lightweight alu-
 minum shield that would fit
 under a wayward husband's
 fedora and save him many a
 skull abrasion when he snooked
 in late at night to a rolling-pin
 reception by the little woman.
 Ah! aluminum, the useful metal!

ALUMINUM COMPANY OF
 CANADA, LTD. (ALCAN)

By The Way

Contributed by
 REV. T. J. STANTON, M.A.

"SOME PEOPLE THINK"

A statesman believes he belongs
 to the state. A politician thinks
 the state belongs to him. Countries that
 have colonies think they own the
 colonies. The people in the colonies
 think very differently about the
 matter of colonial relationship.

There were footsteps to be heard
 on the walk. Also a number of voices
 mingled in laughter and talk, when
 above all the other sounds this
 phrase was heard clearly. "Some
 people think." This could mean
 there are people who do not think.
 In other words some people think
 and some do not. Or it could mean
 some people think quite differently
 from what others do about some
 situation. Or again it could
 mean that some people use their
 powers to think at all times, with
 such accuracy that they are able to
 succeed when and where others fail.

J. B. Phillips, in his little book
 "Your God Is Too Small," says:
 "Some people think."

Happy are the pushers, for they
 get on in the world.

Happy are the hard-boiled, for
 they never let life hurt them.

Happy are they who complain,
 for they get their own way in the
 end.

Happy are those who are worn
 out with sensual pleasures, for they
 never worry over their sins.

Happy are the slave-drivers, for
 they get results.

Happy are the worldly wise, for
 they know their way around.

Happy are the trouble makers for
 people have to take notice of them.

Will you know turn to the fifth
 chapter of the Gospel according to
 Matthew and read what Jesus thinks
 about these matters. Can we be
 Christian, that is, can we be Christ-
 like, and think differently from
 Him, in matters pertaining to hu-
 man relationship and personal atti-
 tudes?

When some 60 odd girls and their
 leaders moved into one of our
 church camps early in July, they
 found the grounds well occupied.

There were families there. These
 had taken possession of grounds and
 cabins alike. They were not the
 type of population girls like to
 mingle with. They could make mat-
 ters very unpleasant.

These families were born and
 raised on the spot. They had no
 thought of ever moving. They
 were a colony unknown. They were
 a colony of skunks.

Now, it goes without saying, there
 was a lot of easy stepping about the
 camp that first night, when the
 colony was discovered. Or should
 we say, uneasy stepping. Many
 plans were made, each reminding
 one of the plans made by the mice
 to put a bell on the pussy — then
 asking afterwards, who will do it?

Then a late-comer, when told
 about the unwelcome guests, said:
 "Feed them." This they did and
 campers and camp came and went
 all summer and no one was ever
 treated to an over-dose of that al-
 most everlasting perfume.

"If thy enemy hunger, feed him." Kindness is one of life's choicest
 gifts. Some people think it worth-
 while to be kind.

A young man working in a rescue
 party during World War II tells of
 hearing a child's voice asking for
 water. The voice was coming from
 beneath a great pile of wreckage.
 It took more than three days to
 reach this little body, who, when
 found, was almost entirely unharmed.
 How could that be?

The mother had placed herself in
 arched form over the child and this
 human arch protected the child's
 body from the falling timbers
 and tumbling brick walls.

Some people think to place them-
 selves as an arch over the weak,
 helpless and needy. Some people
 think to be brave and kind in all
 their doings.

"In emptiness a man must live.
 Even though he be a millionaire:
 If he never thinks of helping
 Others bear their loads of care."

CHRISTIAN SCIENCE
 The healing power of divine love
 will be set forth in Christian Science
 services Sunday in the Lesson-Ser-
 mon entitled "Christ Jesus."
 Jesus' assurance to his disciples of
 their ability to heal the sick by
 means of prayer will be included in
 the Scriptural reading (John 14:12):
 "Verily, verily, I say unto you, He
 that believeth in me, the works that
 I do shall he do also; and greater
 works than these shall he do; be-
 cause I go unto my Father."

Selections read from "Science and
 Health with Key to the Scriptures"
 by Mary Baker Eddy will include
 the following (243:4): "The divine
 Love, which made harmless the
 poisonous viper, which delivered
 men from the boiling oil, from the
 fiery furnace, from the jaws of the
 lion, can heal the sick in every age
 and triumph over sin and death."

Wisdom is to the soul what
 health is to the body.

— La Rochefoucauld

ZELLA WOMEN'S INSTITUTE
HOLDS REGULAR MEETING

Mrs. A. Waldruff was hostess to
 six members and two visitors for a
 meeting of Zella W.I. Thursday,
 August 9. Roll call was a layette
 article for the Grace Nursing Hos-
 pital.

The meeting was entirely given
 over to the planning of the country
 fair, to be held August 17 and the
 catering for the golden wedding an-
 niversary of Mr. and Mrs. E. Brower
 on August 25.

Mrs. A. Waldruff was in charge of
 the "bit of fun", which was a balloon
 breaking contest. We won't say
 how!

Mrs. E. Lowrie was winner of the
 door prize.
 The next meeting will be held at
 the community centre on Thursday
 evening, Sept. 20, with Mrs. C. Gibos
 as hostess.

CROP ROTATION
PAYS IN THE END

In the Peace River region where
 moisture is usually more plentiful
 than on the open prairie, black
 summerfallow every two or three
 years is unprofitable and may be de-
 trimental to soil structure, says C. H.
 Anderson, senior agronomist at the
 Beaverlodge experimental farm. In
 tests at that station over a seven-
 year period crop rotations which in-
 clude grasses and legumes, have
 proven most profitable.

Annual profit per acre under ro-
 tations tested has been: continuous
 wheat, \$2.00 per acre; fallow-wheat-
 wheat, \$2.75 per acre; wheat-sweet-
 clover-wheat, \$6.00 per acre; and
 fallow-wheat-hay-hay-oats and oats
 \$4.50 per acre.

In addition it was felt that if soil
 improvements were taken into ac-
 count the annual profit in favor of
 the grain-legume-grain rotations
 would be substantially increased
 over the long-term period.

A YOUNGSTER'S
ESSAY ON LOVE!

Love is something that when mum-
 my kisses daddy I have to go out in
 the yard and play for an hour.

Love is something like when the
 man comes to read the gas meter he
 kisses the cook and I have to go out
 into the yard and play for two hours.

Love is something like when my big
 brother invites his girl friend into
 the house to teach him some new
 dance steps, and I have to go out in
 the yard and play for three hours.

Love is something that is forcing
 me to live an outdoor life when I
 want to come in and play house with
 Ronald, the boy next door.

Men Who Make Alberta

THE CORNER GROCER

The corner grocer is an affection-
 ate mystery of modern distribution
 and management. Year after year,
 the venture goes on supporting a
 family and serving a community.
 Occasionally a wholesaler has to
 belienet, but, in recent years, the
 corner grocer has increased his
 volume, learned how to cut ex-
 penses, and put a few dollars away
 in reserve. He makes a living,
 sometimes a good one, and seldom
 complains about the long hours.

He laughs at his own troubles...
 lends a sympathetic ear to the
 customers' chit-chat about politics,
 children and the weather.

The corner grocer "belongs"; he's
 rooted deep in the community,
 paying his bills even if he some-
 times neglects to pay himself. His
 margin for error is small but he
 manages to survive from year to
 year — holding the respect of cus-
 tomer, supplier and community in
 general.

PEOPLE ARE OUR GREATEST NATURAL RESOURCE

William Edgington of Kalamazoo, Mich., observed his 107th birthday recently with the statement that he intends to "stick around until the

Detroit Tigers win another pennant." Meanwhile, he takes his favorite food, an ice cream cone, from great-granddaughter Joan Lodge.

Cancer Specialists Warn Of Dangers

A group of world-famous cancer specialists have warned against exposure to radiation from luminous wrist watches, car instrument panels and clocks, and the rays of the sun itself. The warnings are contained in a panel discussion sponsored by Macleod's magazine and published in its issue of August 18.

The eight doctors on the panel — from Israel, France, England, the U.S. and Canada, warned Canadians to avoid these simple rules to help avoid cancer.

Avoid excess weight. Animals fed on sparse diets are less liable to cancer.

Avoid excessive sunbathing. It can cause cancer. Give up smoking. One doctor said it was the most important single step to prevent cancer.

Protect with a bandage any wounded area of your body. Check with a doctor if warts, lumps or blemishes begin growing or if you have unexplained bleeding.

The panel also warned that some forms of food additives for coloring and preserving could cause cancer. All new food chemicals, they said, needed thorough study before being released on the market.

The experts reported in sober optimism that a cure of cancer "could come tomorrow" or it could "take time and come gradually, step by step."

What Other Papers Say . . .

THE PINCHER CREEK ECHO is doubtful about . . . the abolishment of the death penalty . . . Certainly it won't have a tendency to decrease the number of crimes which merit such a drastic sentence. However, the consolation that the culprit may have is that the country must feed and clothe him for the rest of his life. He won't have to pay for lodging and will have taxes. In fact, he will have everything that socialists are advocating for everyone. His victim may rest in peace, but the society which abolished the death penalty will not be free of the cares and troubles of this disturbed world.

THE ROSETOWN EAGLE says labor unions who complain of American domination of Canadian affairs . . . might single out one example — the labor union picture. Every linotype operator carrying a card in Canada, whether he belongs to a local in Canada or the United States, must follow the policy laid down by union headquarters in Indianapolis.

THE VULCAN ADVOCATE comments . . . When I quit this mortal shore and move around the earth no more, don't weep, just sigh, don't sob; I may have struck a better job. Don't go and buy a large bouquet for which you'll find it hard to pay; don't mope around and feel all blue; I may be better off than you. Don't tell the folks I was a saint or any old thing I ain't; if you have jam like that to spread please hand it out before I'm dead. If you have roses, bless my soul, just pin one in my buttonhole while I'm still alive and well today. Don't wait until I've gone away.

THE STRATHMORE STANDARD says . . . Suckers take it. As statisticians say, newspaper advertising lineage — and results — are still soaring this is not sour grapes. This is written as a television onlooker.

Two years ago TV was a baby in this area. First buyers were prepared to put up with the delays of "We are having film difficulty," etc.

Two years later, however, owners of TV sets are being forced to watch films that have appeared before. On the odd occasion one doesn't mind seeing the same film twice but when the repetition continues night after night it becomes more than boring.

We suggest the TV station is putting the electrical dealers — trying to sell sets — behind the 8-ball by continuously repeating programs. Just because there is only one channel in the area is no reason to treat owners of sets with indifference.

WHO SAID SO?

Fishermen catch the most just after dawn, just before dark, or after they get home.

BASEBALL STORY

A mid-summer joke is about the centre fielder who was playing so poorly that the coach benched him. Having no other replacement, the coach went in himself. He promptly muffed a fly and fielded a grounder too slowly to catch a runner at second. When the side was finally retired and the discomfited coach reached the bench, he said to the regular centre fielder: "You've snarled up centre field so badly that nobody can play it."

Notes From D.A.

By Howard J. Fuleher

The organization of an artificial breeding unit in this area, using frozen semen, would be of immeasurable value to the farmer. By use of frozen semen supplies can be kept on hand for all breeds of cattle and, in the case of some breeds, semen from a number of top quality proven sires.

The value of a unit in an area can be readily seen by both the small and large breeders. In the first case, that of the man with a few cattle, he can have the services of proven sires and not have to keep a bull on the farm. The quality of the bull he could use on his herd would be greater than he could afford to purchase himself. It would allow him to make a saving in feed and housing, this saving could be used to run an extra cow.

In the larger herds where an owner now has a good bull he could keep the bull for some time, using artificial breeding on some cows and the young stock. With the proposed set-up he would be able to breed all his herd to one proven sire if he wished or use two good sires in his program. The advantages are great to all livestock men who wish to take advantage of the services the unit could give.

It is an inexpensive way to get service from top quality sires in your breeding program, whether the herd is purebred or grade, or if they are dairy, beef or dual-purpose.

Membership in the Mountain View Artificial Breeding Unit is only \$10 and fees will be \$8 for first service with second and third service free.

All livestock men interested should get all the facts about this unit and if they see the value of it apply for membership soon.

To have this unit in operation for breeding this year it is necessary to get memberships in with the number of cows to be serviced by the end of August. Men have been appointed to cover the different areas. If you have not been contacted you can see the secretary, Keith Viney, Olds, or your local area director.

DISRICT NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

A group of young people from the church made themselves very useful last Thursday evening as they helped prepare beans and peas for cold storage, mowed the lawn, etc. Miss Phyllis Traub organized the group for this endeavor and she is to be commended for her thoughtfulness. They will come again this Thursday evening and perhaps some who didn't know about it would like to join them. Phone Phyllis if you want to come too.

Mr. Ed Eby from California and Miss Gladys Eby returned from their visit with relatives in Sibbald, Marvick and Anadarko Valley. On their return, however, rainy weather made parts of the road almost impassable. In one long stretch of construction work they had to be towed with a caterpillar engine for quite some distance. These men were on the look-out for travellers and just came along on their own, hooked onto the car and without speaking a word did this courteous bit of work for those who found it necessary to travel. Some others were not so courteous and passed cars without slowing down so that one couldn't very well tell what make the car was because of mud.

The college has received a splendid gift from one of its many friends in the form of a large deep freeze. We can easily use two such and this will help us greatly, for the one we have isn't adequate for all that we would like to freeze for winter use. Mrs. Edna Eby is delighted and is planning on spinach, Swiss chard, peas, beans, etc. for the new freezer. You may have some produce of this kind to bring in and we would be most grateful for it. Mrs. Eby is unusually busy but friends are coming to her help as she plans and works in preparation for the winter months.

We have 19 new students coming this fall. There will be more, for it is usually at this season when the most registrations come in. We will have a larger student body this year. One young lady has written for work during the winter to help her through. There may be those who would like to have part time help here in town.

We have heard from Mrs. Kasey again. She is anticipating her husband's return. At present she is with her brother at his resort some where in B.C. She has spent some time in Los Angeles and San Diego with relatives and friends.

Wedding bells will ring very soon for two of our graduates. Mr. Harley Dyck and Miss Catherine Crown will be married in Winfield, B.C. on Sept. 1. These two young people will live on the Bethel College Campus in Indiana where Harley will take further training for the ministry.

Miss Esther Seabrand, who was married last Sunday, will live in Bermuda. Her husband is in the American Marines stationed there. She will be leaving at once for this new land. President and Mrs. Taylor were guests at the wedding.

The Eby relationship here in town are planning a picnic at Red Lodge in honor of their brother and uncle. Mr. Ed Eby, on Tuesday afternoon and evening. We hope the weather will be nice for this occasion. If not, they will have a get-together in the college dining room. Mr. Eby will leave for his home in California the beginning of next week to resume his work there by the first of the month.

CREMONA NEWS

(From Our Own Correspondent)

On August 12, a family picnic was held at the old Reid home. Nearly 40 enjoyed the day. A daughter, Lillian Morgan, her husband and two children from Bowmanville, Ont. completed the family gathering. Mrs. Morgan has been visiting here most of this month.

Mr. and Mrs. Aaron Fry of Colorado visited last weekend with Mr. and Mrs. C. Franklin. Mrs. Fry is a cousin of Mrs. Franklin and it was their first meeting in 50 years.

Mr. and Mrs. Russell Graham and family of Vulcan spent last Sunday evening at Mrs. Martin Reid's. Mrs. Pictorial of Calgary spent last weekend with her sister, Mrs. Charles Reid.

Rev. and Mrs. Morgan and family are spending a week with Mr. Lynn Morgan in Edmonton.

Mr. Jack Rattery and Grant took Mr. and Mrs. W. Franklin to visit her father in the hospital at Drumheller last week.

The Water Valley stampede was held August 15. It was favored with bright sunshine and clear skies. Buford Lenard was thrown and suffered an injured hip. Full extent of his injuries have not been determined.

Mr. and Mrs. Alfred Cook spent last Tuesday evening at Lionel Bird's.

Mr. Robert Simpson and Miss Georgina Dugid were united in marriage on Thursday, Aug. 16, in Cremona United church. Given in marriage by her father, the bride wore a white hoop skirted net and lace gown, with three-quarter length veil. Mrs. Vera Holbrook, in a dress of salmon color, was bridesmaid and Miss Myrtle Holland, aunt of the bride from Saskatoon, wearing a blue gown, was maid of honor.

Also attending the bride was a diminutive flower girl dressed in yellow, we Maxine McArthur. Attending the groom were his brother Russell and Charles Holbrook. Ushers were Bobbie Fairburn and Jack Spillman.

The ceremony took place at 2:30 p.m. with Rev. Miller from Olds officiating. The reception was held in the old Dogpound hall with approximately 50 guests present. Mr. and Mrs. Simpson left on Sunday for a honeymoon in the U.S. They plan to return via Saskatchewan in order to visit the bride's grandmother. The best wishes of the Cremona district are extended to the happy couple.

Mr. M. J. Hewitt visited his son Bruce in the Belcher hospital on Sunday.

Visitors at Duncan Young's home last week were Mr. and Mrs. Wm. Young from B.C.

Linda Bird of Blackie is spending a vacation with her grandparents, Mr. and Mrs. Reid.

The results of the grade nine students have arrived. Among those who passed were Shirley and Diane Roberts, David and Brian Whitlow, Lucille Young, Shirley Penner, Jim Bergeson, June May, Kathy Cameron, Gerald Burkholder, Cecil Ray, Kenzie Cameron and Myrtle Reid. Mrs. M. Reid and Mrs. McLaren called on Mrs. John Herne one day last week.

Banff visitors last Sunday were Mr. and Mrs. B. Reid, Johnnie and Richard.

Mrs. Wilfred Jackson and Werner are vacationing at the coast.

MORE EARNINGS THIS YEAR

The average family income in Canada in 1955 was \$4,460, eight per cent more than the previous year. This year it is expected to average \$4,745 as against \$5,520 in the United States.

South West Didsbury

(From Our Own Correspondent)

Misses Edith and Marion Sherrick were Wednesday dinner guests of Mr. and Mrs. Lynn Hunsperger and family.

Allan Meyers and Garry Bain returned home Saturday from a vacation at Spray Lakes. Miss Jeanette and Laura O'Brien of Edmonton are visiting with relatives in the district.

Mrs. Fred Befus, Gerald and Norma, were weekend visitors at Sylvan Lake. On Sunday Mr. Befus and Bernice joined them.

On Friday, August 17, Miss Marion Folkman celebrated her 11th birthday and invited some of friends in to celebrate event.

Sunday dinner guests of Mr. and Mrs. Lynn Hunsperger and family were Misses Bonita Neuberger, Elvise Spreeman, Joyce Traub, Treva Bralley, Marie Burgess and Lorene Snyder.

Sunday evening visitors of Mr. and Mrs. Don Weber and daughter were Mr. and Mrs. Norman Weber.

Mr. and Mrs. H. W. Folkman and family and Mr. and Mrs. Arnold Bode and family went for a drive on Sunday to Kananaskis Lake.

GEMS OF THOUGHT

True wisdom is to know what is best worth knowing and to do what is best worth doing.

BERGEN NOTES

(From Our Own Correspondent)

The home of Mr. and Mrs. Kay Cook was the scene of a shower for Miss Audrey Davidson on Wednesday evening. Following several contests a basket was delivered to Audrey and, assisted by her mother, she opened the many lovely gifts.

The guest of honor, the daughter of Mr. and Mrs. Dave Davidson, will be married to Mr. Steve Sidore of Grand Prairie on August 28.

Miss Marjorie Bradley and Mr. Bruce Erickson, whose marriage takes place August 25, were guests of honor at a shower at the home of Mr. and Mrs. Fred Andrews on Saturday evening.

Following a hilarious mock wedding the bride-elect opened her gifts, which were passed around for all to admire.

Mrs. George Hardy of Vancouver is visiting friends and relatives here and at Sundre.

Mrs. Jean Mjolness, who is recovering from a broken wrist, is visiting in the district.

Mr. and Mrs. Norman Halvarson are visiting with Mrs. G. Halvarson.

Mr. Dick Wild is laid up a bit with an injured foot.

Mr. Trygve Halvarson cut his hand recently and had to have several stitches. The accident happened when he was sharpening a mower knife.

Mrs. Mildred Raskassen, Reg.N. of Calgary General hospital, is spending her holidays at her parent's home here.

Mrs. Sandy Avery and children are visiting here with her father, Mr. J. J. Davidson.

FOLKMANN'S CLOTHING

No Need For Continuous Advertising

Preachers . . .

Should preach only one sermon or so a year. People are against sin anyway, so why harp on it.

Traffic Lights . . .

Should be turned off at dangerous intersections to save electricity. Everybody knows it's a dangerous spot and that is sufficient.

Teachers . . .

Do not need to review lessons. Tell the children just once and they'll never forget.

Highway Police . . .

Stop driving up and down the highways. No need to caution drivers by patrolling highways. Drivers know the law and should obey.

Out of Towners . . .

That advertisements in the local paper and mail order firms that send out catalogues are wasting their money. Everyone knows what is sold in the stores in town and they'll all shop at home.

But if you are one of the foolish kind — like the Notre Dame cathedral that has stood for six centuries but still rings the bell every day to let people know it is still there — and believe in continuous, profitable advertising then you will want to advertise in

Little Items of Local Interest

Mrs. M. Chase of Hartman is visiting this week with Mr. and Mrs. E. B. Grange.

Guests at the home of Mr. and Mrs. F. Reiffenstein on Saturday to attend the Freeman-Reiffenstein wedding were Mr. and Mrs. V. Gillette and Dennis of Calgary, Mr. and Mrs. R. Reiffenstein and Mr. A. Chorney of Coronation.

Mrs. Reta McCoy and Janette, accompanied by Mrs. Polly Rose and Mary Louise are holidaying at Sylvan Lake this week.

Mrs. M. Alexander of Killam, Alta. was a weekend guest at the home of Mr. and Mrs. W. McCoy.

Mr. and Mrs. T. Morgan and Mr. and Mrs. S. Warren arrived home Friday after a two-week holiday in B.C. and south of the border.

Out-of-town guests who attended the Freeman-Reiffenstein wedding last Saturday included Mr. and Mrs. T. B. Grisdale of Turner Valley, Mr. and Mrs. R. E. Grisdale of Okotoks, Mr. and Mrs. R. Pagan and Mr. B. R. Kelly of Innisfail, Mrs. A. T. Hishop of Edmonton, Miss Nellie Sullivan and Miss Donna Pyke of Calgary.

For the past week Mrs. M. Hughes has had as her guests two of her sisters, Mrs. Parker of Orenville, Sask. and Mrs. Thomas of Toronto. They were also guests at the wedding of Loretta Reiffenstein and Allen Freeman. It is 41 years since the three sisters have been together at the same time. After visiting a few days in Calgary, Mrs. Parker and Mrs. Thomas plan to leave for Kamloops, B.C. to visit with another sister.

Mrs. C. B. Herron left Tuesday for her home in Vancouver after visiting with her brother-in-law and sister, Mr. and Mrs. W. B. Dobbin.

Miss Ethyl Peasgood of Fairbanks, Alaska visited with Miss L. Daley last week.

Mr. and Mrs. C. Y. Howlett of Nelson, B.C. left on Tuesday after spending several days visiting with Mr. and Mrs. J. Currie and other relatives in the district.

Mr. and Mrs. J. Shannon and family, accompanied by Miss Marilyn Reiber, were Banff visitors for several days last week.

Master Doug Colwell of Calgary is visiting this week with his grandparents, Mr. and Mrs. E. B. Grange. (And his girl friend, Mary Lou.)

Mr. Ibrahim is visiting with relatives in Washington, D.C.

Miss Judy Allen and Miss Maxine Campbell left Wednesday for the Pioneer Camp at Crimson Lake, where they will spend the next 10 days.

Mr. and Mrs. Bob Dunsmuir of Esquimalt, B.C. visited with friends and relatives in the district last week.

Mr. Bob Busard, stationed with the Royal Canadian Navy at Halifax, is spending a month's leave with his parents here.

Mrs. Dave Janzen, who lives in the south end of town, is boasting this week about the tomatoes she has growing in her garden. They are really a fair size and were grown from seedlings.

It is understood the face-lifting at the local post office has been completed and there is no question it has improved the inside appearance considerably. The new boxes were long overdue and will save many a headache for those who use them. Now you don't have to kick 'em to open 'em, you don't have to kick 'em to close 'em!

BIRTHS AT DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. John E. Farrell of Carstairs, on August 18, a son.

LATE CLASSIFIEDS

LISTINGS are now being taken for the Fall Horse Sale to be held at the Innisfail Auction Mart on Friday, October 26. Write Wes Scott, secretary, Innisfail. 33-2c

EAST NOTES

(From Our Own Correspondent)

Mr. and Mrs. Pat Spragg of Calgary were recent visitors with the former's daughter and son-in-law, Mr. and Mrs. Donald Thompson and we granddaughter.

Congratulations are extended to Mr. and Mrs. Benjamin (Lea Pross) who were married last week.

Mr. Jack Gritzfeldt of Strathburg and Mr. and Mrs. Paul Kellin and son Wayne, spent a week with Mr. and Mrs. Ronald Schumaker and family. While here they made a visit to Sylvan Lake and Banff. Mr. and Mrs. Schumaker Sr. and Robert Cluny, grandson of the latter couple, accompanied them.

Sunday dinner guests at the Alfred Thompson home were: Mr. and Mrs. Smith, Mrs. Gertrude Welch and daughter, and Harold Hobbs, all of Calgary; Mr. and Mrs. Ralph Heaton of Calgary, Mrs. Altha Topley of Ponoka. Beverly Thompson went back with Altha to spend a week with her at her home in Ponoka.

Mrs. Lucy Thompson of Calgary and Mrs. Bill Leask of Cranbrook spent last Thursday visiting in the district.

Mrs. Dorothy Rushmore of Rock Creek, B.C. visited in the neighborhood with relatives and friends last week. From here she went to Calgary and planned to leave shortly for her home in B.C.

Mr. and Mrs. Peter Schumaker, Les and Robert Cluney motored to Kathryn on Sunday to visit with their son Bill and family.

Mr. and Mrs. Peter Neufeld of Acme called on Mr. and Mrs. Ray Schumaker and family Sunday.

Bob Weber spent a few days at the home of his parents, Mr. and Mrs. I. Weber.

Mrs. and Mrs. Harold Davidson and Mr. Ed Anderson of Sunnyslope, and Mrs. Todd Sr. of Calgary, were Sunday visitors with Mrs. Patterson and Eddy.

We are sorry to hear that Albert Milne has been re-admitted to the Belcher hospital in Calgary. We hope to see him home again real soon.

Mr. and Mrs. Ronald Milne and Mrs. Milne Sr. were recent visitors at Black Diamond with Mr. and Mrs. Bill Stuart. En route home they stopped in Calgary to see Albert at the Col. Belcher hospital.

Mr. and Mrs. O. Milne and Roy and Flossie Barhan of Calgary were Sunday visitors at Markerville and Red Deer.

Mr. Foster Dowell visited with his daughter Mrs. Albert Milne and daughter Sunday.

Miss Jean Scott, who has been visiting with Mr. and Mrs. O. Milne for the past six weeks, left on Sunday for Vancouver, B.C.

Mr. and Mrs. Tindal and family visited with the former's brother and family at Huxley on Sunday.

Mrs. Stanley Schumaker and baby were weekend visitors with her mother, Mrs. Walter McCulloch.

Mr. and Mrs. Dan Neufeld were recent visitors with the former's father and brother, Mr. C. U. Neufeld and Amos.

Mrs. Thomas Marsh was a recent visitor in Acme.

TODAY'S CHUCKLE . . .

The honeymoon is really over when he phones to say he'll be late for dinner . . . and she's already left a note saying it's in the refrigerator.

Ted Williams, star hitter of the Boston Red Sox who has been in and out of hot water during his career in the majors is in it again following a spitting incident for which he was fined \$5,000 by Sox manager Joe Cronin. It is the heaviest fine ever imposed in major league history. Babe Ruth, once had the same and levied against him but it was later withdrawn.
